

# Use Coolex for “Free Trial” period (2 weeks) in your office!!

The best way to know the value of Coolex is to experience it!  
We picked up the model with small bite-spring size as a free trial unit that can be used for all the age of people.

## Benefit of Using Coolex in Each Dental Field

### General Dentistry, Pediatrics Dentistry

Resin filling or sealing at mandible is made perfect.

### Orthodontics

Adhesive force of bracket or band is made much stronger.

### Dental Assistant

You can use ultrasonic scaler, without holding the suction at the same time.

※ The whole body of Coolex is autoclavable.

※ You can see the video how to use Coolex at [www.headdental.com](http://www.headdental.com)

## Application Sheet of Coolex Free Trial

※ Please pay the shipping cost when the Coolex after trial period is over, is returned.  
The free trial period is 14 days. Please limit 1 unit per dental office.
